Each woman of this congregation has been placed in a work group. Work groups serve at funerals, coffee fellowships, general meetings, and other congregational events.

Working in a work group is a way that ALL women can be of service and thus express their Christian love and concern for others. When you are called upon to help, we ask you to give your loyal support with kindness and cooperation.

For Funerals, cakes or bars will be solicited from the church membership. Sandwiches can be prepared. If requested by the family, catered salads will be served. If any other menu is desired, arrangements must be made between the family and the work group chairperson.

**Coffee Fellowship Information**

When your work group is to serve Coffee Fellowship you will need the following:

- 3-4 people to bring 2 dozen bars or cookies each
- 3-4 people to help in the kitchen before and after church
- Buy 1-2 gallons of juice (check fridge first)

**Directions for making coffee are in the kitchen.**

(Less food, coffee and juice are needed in the summer months)

Put a basket out for freewill offering  
Offerings should be given to Linda Fick, the treasurer.
